### About the BALLAD...

Based on historical fact, the Don Mueller production deals with pro and anti-slavery issues which nearly ripped the state apart, putting Bloody Kansas on the front pages of national newspapers. Lively songs and dances and a love story are melded together with historical events of 1855 and 1856 in the Baldwin and Lawrence area. Murder, false arrest, border ruffians from Missouri, and a make shift army led by the famed John Brown in the first actual skirmish of the Civil War are all a part of this exciting musical directed by Jim Tuchscherer.
